Re: DT 06-102, Verizon New Hampshire
Tariff Filing Introducing New Residential Service Packages

Dear Ms. Thorne:

On July 18, 2006, Verizon New Hampshire (Verizon) submitted a tariff filing introducing Regional Essentials and Regional Value Service Packages in Verizon's NHPUC No. 83 Exchange and Network Services tariff. Regional Essentials and Regional Value are optional service packages for residential customers that provide combinations of local and intraLATA toll services.

Staff has examined the filing and recommended approval. The Commission accepted Staff's analysis and recommendation.

For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions to Verizon's Tariff NHPUC No. 83 are effective as filed.

Tariff pages should be filed referencing Docket No. DT 06-102 and reflecting the requested effective date of August 19, 2006.

Sincerely,

Debra A. Howland
Executive Director and Secretary
